

Want to join us in the heart of cologne for an internship strategy/urbanims/architecture?

De Zwarte Hond is looking for enthusiastic and talented urban design and architectural interns for our design team in Cologne, who will work with us on big spatial concepts, plans and strategies for a diverse, sustainable and equal society much before 2045!

Do you enjoy creating and developing urban planning assignments in line with the regional vision and local context? Would you like to work on making the places in our future living environment more beautiful? Are you eager to develop innovative wooden houses? Then you could be a good fit for our team.

What an internship/work experience at De Zwarte Hond looks like: You will work on projects ranging from the concept to the implementation phase, developing your design and presentation skills. You enjoy working out a detail and you can translate your ideas for more beautiful places into inspiring drawings and designs. You will be a member of one of our design teams led by an experienced urban planner, with a personal mentor to guide you in your development. You can do all this at our office in the heart of Cologne, where you can learn and laugh with your enthusiastic colleagues.

An internship/work experience placement at De Zwarte Hond lasts at least four consecutive months, between February and September 2022, for 40 hours a week.

What we expect from you:

- You are eager to learn, enthusiastic, creative and like to work in a team
- You can convey your ideas well in images and words
- You speak fluent English or German.
- You are familiar with Adobe, Sketchup or Rhino and have knowledge of ArchiCAD or Vectorworks
- You are enrolled at a college or university
- You have an EU study or exchange visa (for foreign candidates).

Sounds good: how do I sign up?

You can send your motivation letter (max. 1 A4), your CV and portfolio (max. 5 MB) to Sabine, via jobs@dezwarthond.de. We will respond within a month.
